~~The 5<sup>th</sup> “Blood Donation” drives is back~~

## AEON MALL and Japan Heart organized the 5<sup>th</sup> Blood Donation Event

AEON MALL (Cambodia) Co., Ltd. (hereinafter referred to as “Our Company”) organized the 4<sup>th</sup> Blood Donation event in collaboration with Japan Heart Children’s Medical Center (the “Japan Heart”) under the campaign “Blood of Kindness” which took place on the ground floor of Lively Plasa Sweet Zone of AEON MALL Phnom Penh from 09:00 to 16:30.

Our company has initiated organizing this blood donation event with Japan Heart three times already which received a total of **357 donors** from our generous golden heart customers. At this time, we received a total of **68 blood donors** which made making this blood donation event successful and meaningful

In an effort to respond to this issue, our company had decided to conduct this blood donation drive with Japan Heart regularly. As we know these difficulties in sourcing the necessary blood for surgeries in Cambodia are very challenging, therefore, our company will continue to contribute to raising this awareness for the public on the importance of blood donation in Cambodia. Based on the basic principle “**Perusing peace, respecting humanity, and contributing to local communities**”, always with our point of view as its core.
